Digital Designer

Dear Mr/Ms,

I am writing to express my strong interest in doing internship/protégé position at your company. I am a fresh graduate student of Bachelor's degree in Information Technology Multimedia, I am highly motivated to contribute my skills and creativity to your dynamic team.

Throughout my academic journey, I've developed a solid foundation in Animation, User Interface and User Experience (UI/UX), Multimedia, Programming and Database. I've also completed online certifications such as;

- Learn HTML Course by Codecademy
- Learn CSS Course by Codecademy
- Learn Intermediate CSS Course by Codecademy
- Learn CSS: Responsive Design Course by Codecademy
- CCNAV7 by Cisco
- ISC2 by Coursera

I am driven by a passion for innovation and a keen eye for detail as well as qualities that I believe are essential for interactive digital experiences. I am excited about the opportunity to apply my technical expertise and collaborate with like-minded professionals at your company. The company's commitment to pushing boundaries aligns perfectly with my aspirations to create meaningful solutions in the digital world.

Thank you for considering my application. I am eager to contribute to the company's innovative projects and to learn from the talented team. I look forward to the possibility of discussing how I can add value to the team.

Sincerely,  
Ammar Syauqi.
